SCHOOL STARTS SEPTEMBER 2

School begins Thursday, September 2nd at 8:00 am. Students who are eating breakfast may arrive at the cafeteria at 7:30 am to eat. If your student is not eating breakfast, please do not bring them to school until 7:45 to ensure proper distancing. Unfortunately, parents will not be allowed to enter campus and escort their student to the classroom. We will have staff members available to show students where to line up on the playground.

AT-HOME SCREENING

It is extremely important that you are screening your student every day prior to dropping them off at school. If your student has any of the following symptoms, she or he needs to stay home:

- Fever or chills • Cough • Shortness of breath or difficulty breathing • Fatigue • Muscle or body aches • Headache • New loss of taste or smell • Sore throat • Congestion or runny nose • Diarrhea • Nausea or vomiting

EARLY OUT THURSDAYS

Our full daily schedule is posted on our school website. Please remember that on Thursdays the students are dismissed an hour early for teacher collaboration. The first day of school students in grade 1 - 3 are dismissed at 1:07 and students in grade 4 - 6 are dismissed at 1:12.

DISMISSAL PROCEDURES

Our dismissal procedures will be different than they were in the spring. Students will be lined up in grade level lines in the grass outside the office. To ensure proper distancing, parents will be asked to wait on the opposite side of the walkway. If you are driving to pick up your child, please be sure you are parked legally.

We will not allow students to load cars that are double parked, stopped in the middle of the street, or otherwise parked illegally. Your child's safety is our main concern. Please use the crosswalk at all times when crossing the street with, or without, your child. Please remember that masks are required for everyone, at all times on campus, even during dismissal time. Please see the dismissal map posted on our website for a visual representation.
