VIRTUAL BACK TO SCHOOL NIGHT - SEPT 22

Back to school night will be virtual again this year and we hope to see everyone there! We have staggered the times so families with multiple children will be able to meet their child's teacher and ask any questions. Teachers will begin their presentations at the times below and will have their Zoom open for one hour from the starting time. The schedule will be as follows:

Kinder & 1st Grade: 5:00 - 6:00
2nd & 3rd Grades: 5:30 - 6:30
4th, 5th, & 6th Grades: 6:00 - 7:00

If you have multiple students, be sure to drop in to each teacher even if you miss their presentation. The teachers will love to meet you!

OPTIONAL FREE COVID TESTING AT SCHOOL

The school offers free testing in our care room every day. Students only have to be registered once and then they can get tested as often as you'd like. Students who are sent to the care room with possible COVID symptoms are encouraged to be tested since you can return to school more quickly with a negative result. You can also have your child do surveillance testing, meaning they will be tested regularly. The link to sign up is:

CHECK THOSE SPAM FOLDERS

In the past we have had issues with family members not receiving emails from staff members because they have been sent to junk or spam folders. Please check those periodically to be sure that you don't have a bunch of emails there. Thank you!
