MASKS

We have successfully made it through the first month of school! We are so happy to have our student in person. Please remember to send your student to school every day with a mask and remind them to wear it at all times on campus.

MORNING DROP OFF

Please remember that there is no supervision before 7:30, so please do not drop off your students prior to 7:30. If they are not eating breakfast, please do not drop them off before 7:45.

ARRIVAL & DISMISSAL REMINDERS

We would like to keep all students, family members and staff safe during arrival and dismissal times. Please remember the following:

- Do not park in the red zone - especially at dismissal time
- Please do not do U-turns in the street. It creates congestion and I have seen many near miss accidents with cars and people!
- Students are not allowed to load or unload from cars when double parked or in the middle of the street. It is not safe for students.
- Please do not double park
- Do not park or do U-turns in the crosswalk
- Please exercise patience and observe all school zone speed limits

LCFF FORMS

If you haven't filled out your LCFF application yet there is still time to help our school get all the funding to which we are entitled. A message was sent to households for which we still need a form. You can fill the form out online here: <https://scusd.rocketscanapps.com/default.aspx> or you can get a paper copy in the office. The deadline for filling them out is October 31st. This funding is important to provide programs for our students. We appreciate your help!

EMERGENCY CARDS

If you have not filled out the digital emergency card you can find that here: <https://forms.gle/ZshTeDGigJZecdUk9>

If you don't fill it out online then we will be sending home paper emergency cards next week. It is important that we have your current contact information. Please update phone numbers and emails with the school any time you may change them. Thank you!
