MORNING DROP OFF & AFTERNOON PICK UP

In an attempt to keep everyone safe and keep traffic moving, please remember the following:

- Please pull over all the way next to the sidewalk and do not let students out in the middle of the street.
- Students may not get into cars that are double parked or in the middle of the street. We do not want students to be hit by a car.
- **Please do not do U-turns in the middle of the street. I have seen many near accidents and it also holds up traffic in both directions.**
- Please stay out of the red zone. This area is for the bus and daycare vans.
- Please drive slowly and exercise patience/respect during drop off and pick up time. School staff is trying to ensure the safety of everyone during these times.
- Please use the crosswalk when crossing the street.
- Please do not go around cars and drive in the opposite lane of traffic.
